Dear Parents/Carers

On **Friday 21st September** Springfield Primary School will be taking part in Jeans for Genes Day. Jeans for Genes is a national charity which raises money to fund, care and support children and their families affected by genetic disorders. It also supports research into the causes and treatments of these conditions, many of which can seriously affect a child's life. Half a million children in the UK are affected by a life changing genetic disorder.

Everyone will have the opportunity to wear jeans on this day. A donation of £1 is suggested, which will be collected from those who wish to give, by class Teachers on Friday morning. Please can children still wear their school jumpers.

If you would like to know more about Jeans for Genes Day, you can visit the Jeans for genes website at www.jeansforgenes.com.

Thank you for your continued support

Miss Eales
