Year 3

Dear Parents/Carers,

Mighty Metals

This half term our topic is Mighty Metals. We have been focusing on the literary text, 'The Iron Man' by Ted Hughes, whilst discussing the uses and importance of metals. To celebrate this topic, we would like the children to take part in a Recycling workshop on the 11th October 2018 where they have the opportunity to create a whole class sculpture using recycled materials.

We are asking for a donation of £3.75 per child to cover the cost of the workshop alongside the visitors.

As many of you already have, we also ask that if you have any un-used recycling (preferably metals or plastics) such as jam jar lids, buttons, tins, bottles and bottle tops, could they be brought into school. This would be much appreciated and will allow the day to be even more spectacular.

Thank you for your continued support.

Yours faithfully

Miss S Cain
